

SHANNON HORN

Founder & Co-owner

Shannon was born and raised in Phoenix, AZ. After graduating high school, Shannon attended Arizona State University and the Federal Aviation Administration Academy in Oklahoma City, OK where he became an air traffic controller. After graduating the academy, Shannon was located at the Los Angeles en route center located in Palmdale, CA. Although life as an air traffic controller was exciting, Shannon's passion was to be an entrepreneur and he left the FAA to begin a software business.

Shannon has been developing software for over 16 years for clients including Microsoft, Universal Studios, MGM Studios, Prudential, and Excess Reinsurance. Shannon has also authored several books and courses on Microsoft and Web software technologies and has been traveling around the globe speaking professionally since the beginning of his career.

Shannon has been a student of traditional martial arts most of his life. Shannon is currently pursuing his third degree black belt in tae kwon do (Kukkiwon / WTF 3rd Dan) under Grand Master Won Ki Hong and Master Choi (<http://www.tkdaz.com/>). In 2006, Shannon began training in boxing and mixed martial arts at the NEST with Coach O (<http://coachoboxing.spaces.live.com/>), Edwin Dewees and Benny Madrid. Shannon has continued to train with Coach O and Benny and now personally trains at the Lion's Den Scottsdale (<http://www.lionsdenaz.com>).

Shannon has been playing electric bass guitar since he was young and plays weekly in multiple bands in the large church he attends. Physical fitness is a major part of Shannon's life and he lives for his kids! :)
